CONTEMPORARY

*“Being contemporary is a state of mind.
It’s all about being in the present and celebrating the now.”*

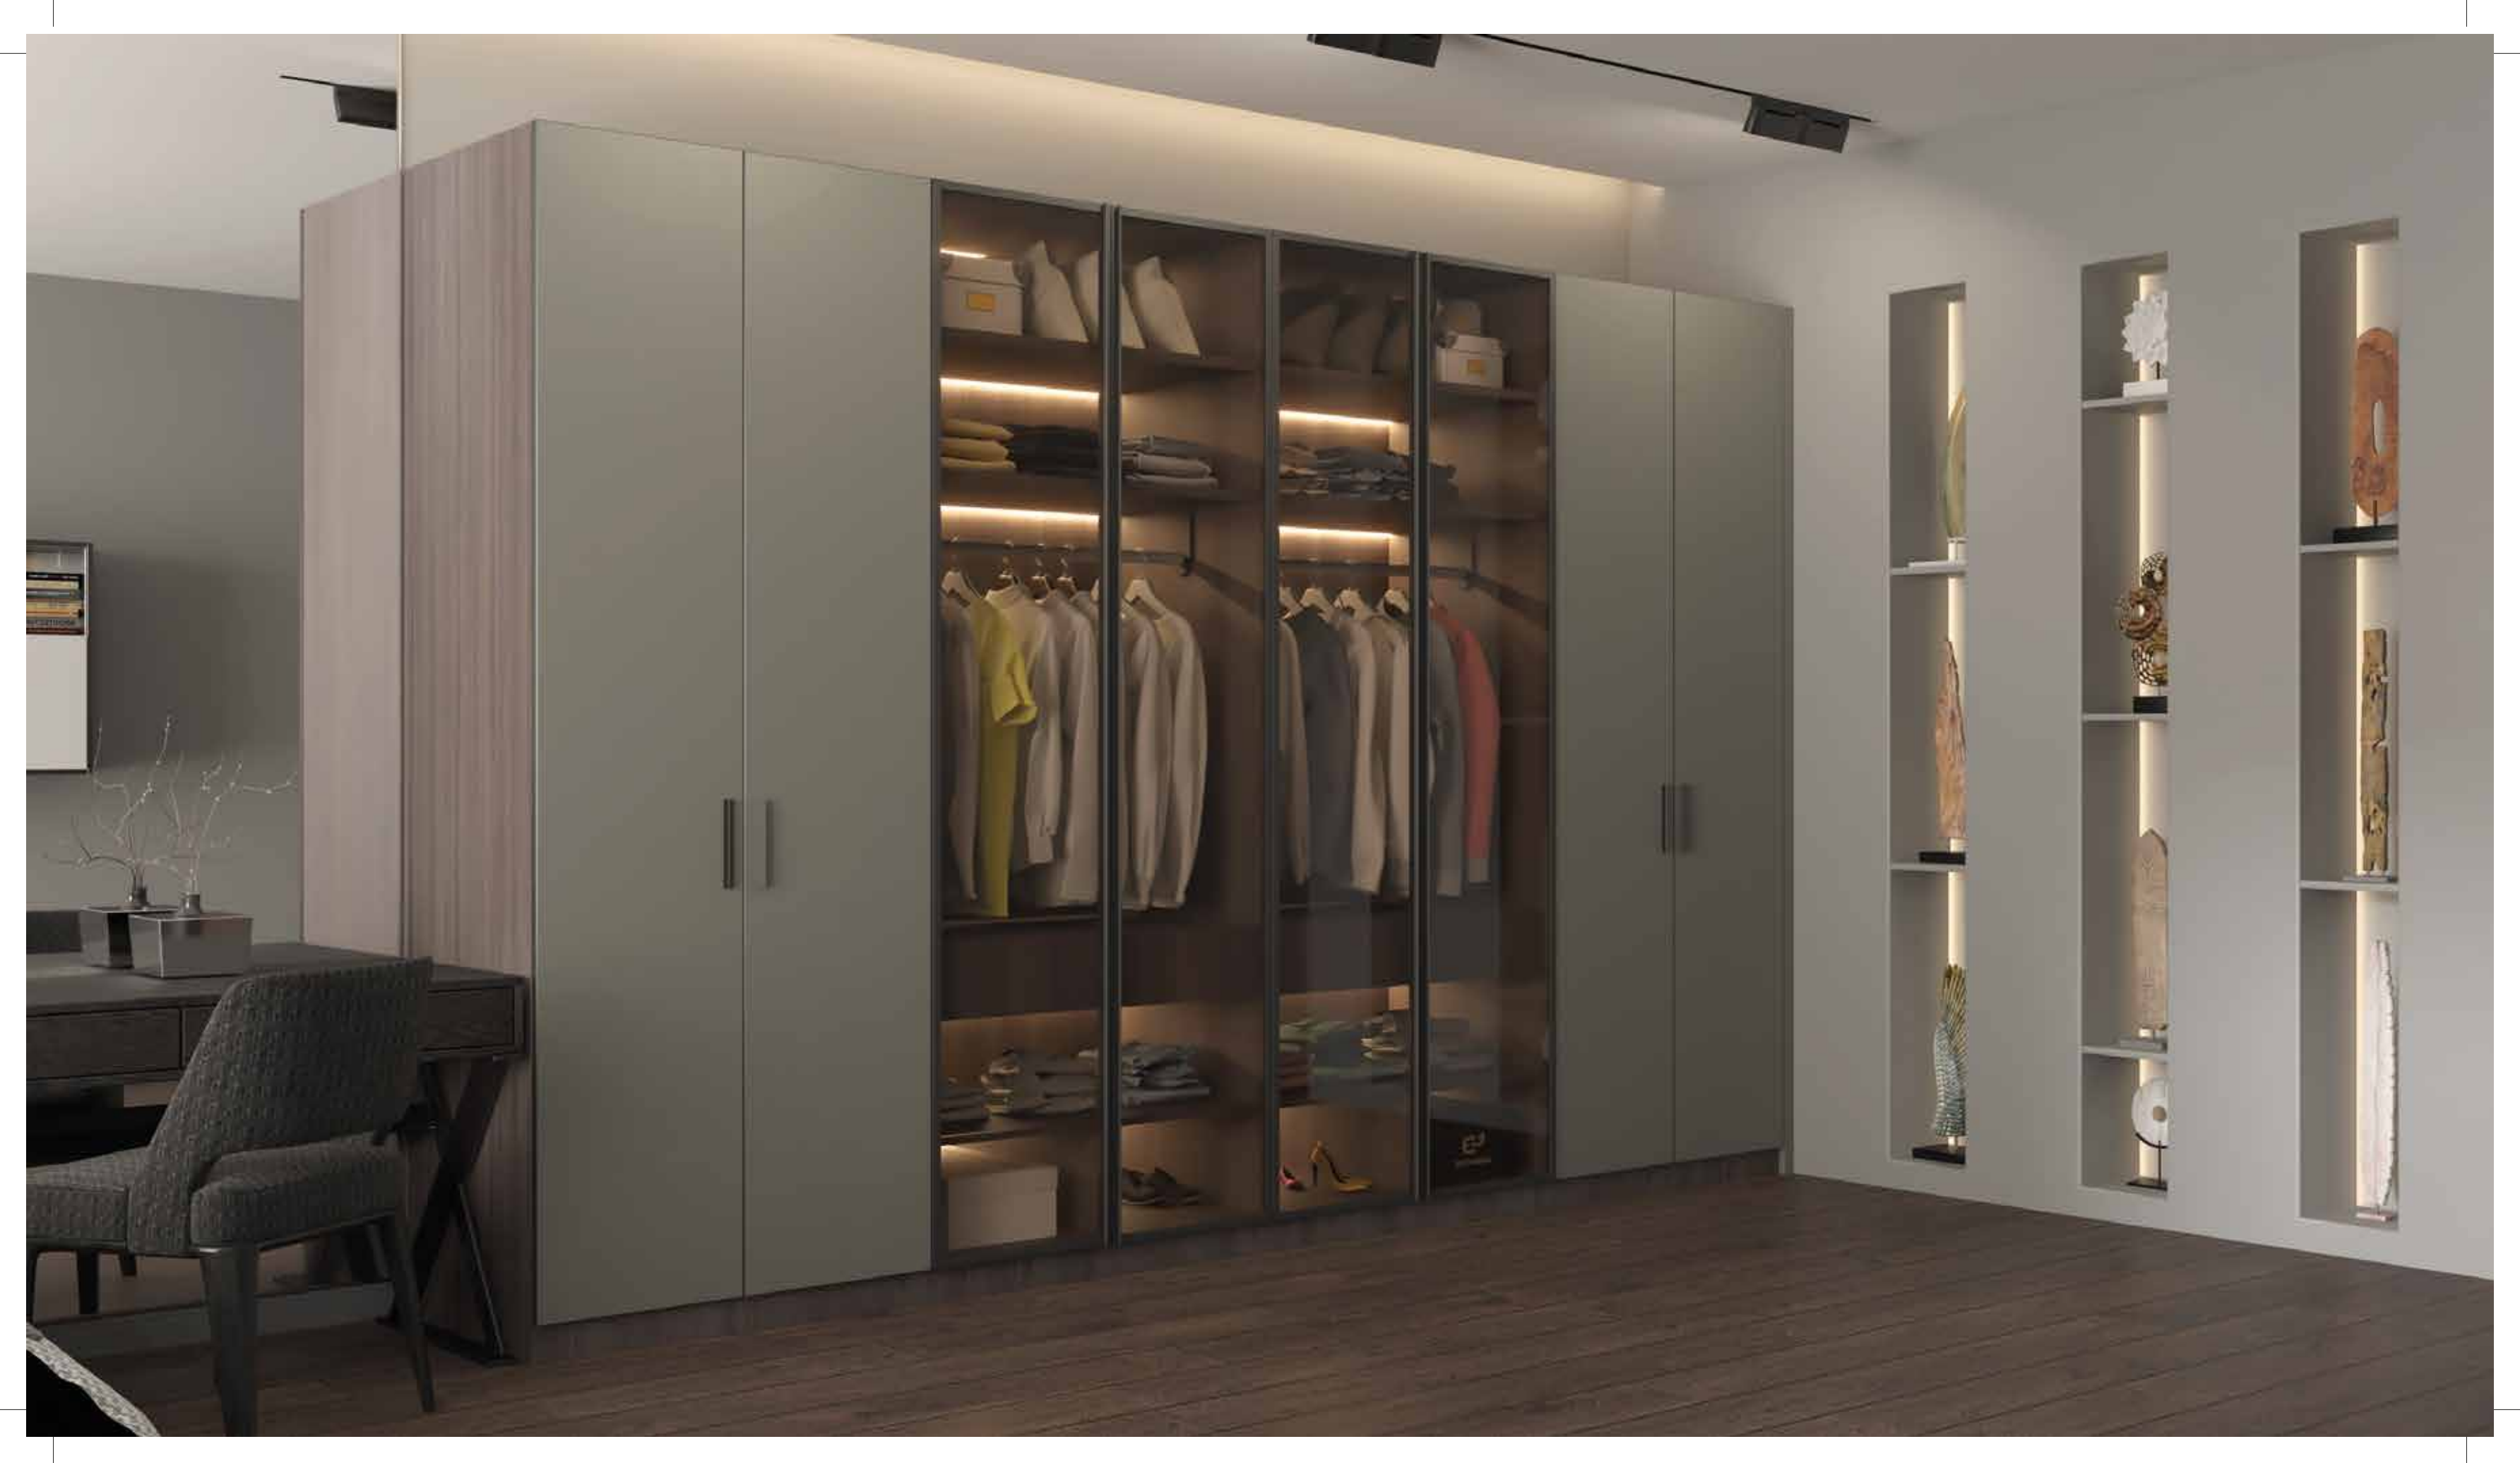

Swing Door

○ Contemporary design is a celebration of the present moment.

○○ It is a symphony of simplicity and subtle sophistication.

○○○ It is the creation of a monochromatic mood board which gives warmth to the interiors of your room.

— MINIMALIST —

*Minimalism is the art of subtraction.
It is an ode to understated elegance.*

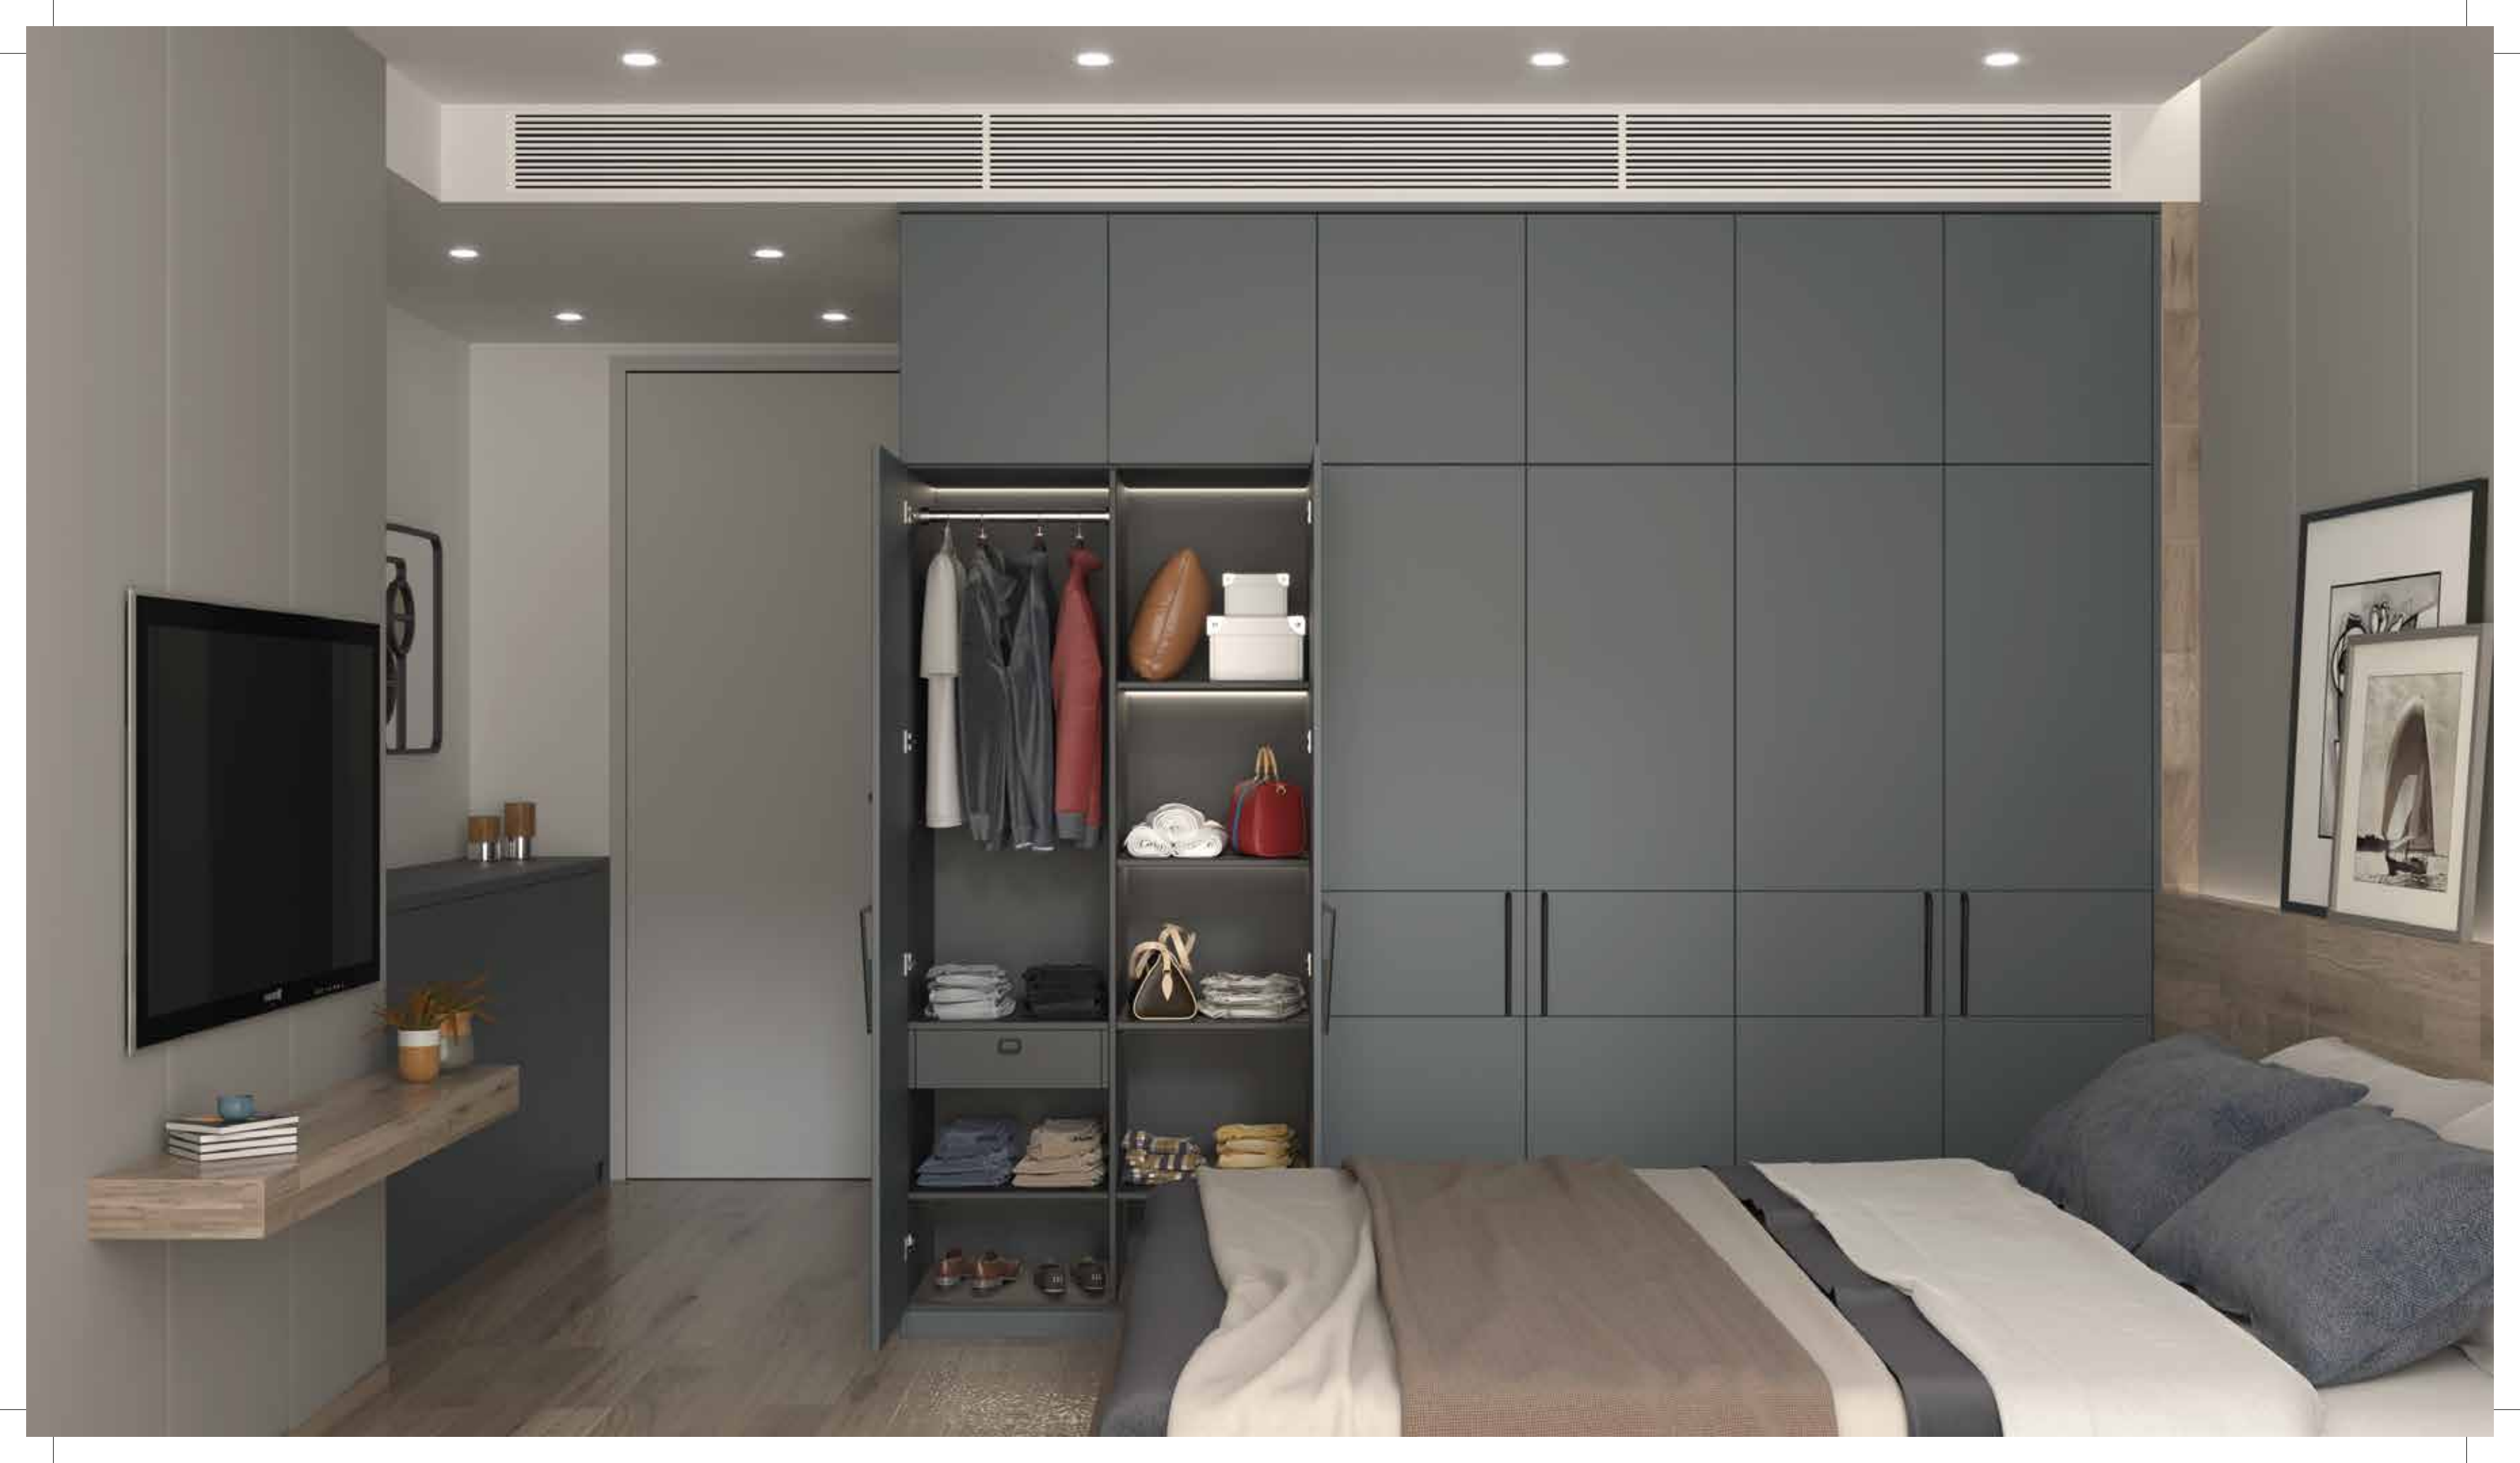

Swing Door

○ Minimalism celebrates the intuitiveness of one's desires. It reveals the truest form of a space in its most beautiful avatar.

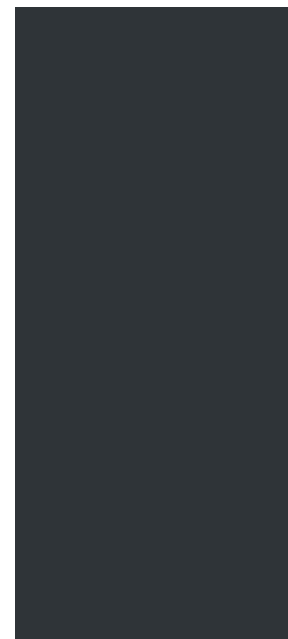

○○ It is characterized by subtle elements like single artwork on a bedroom wall or a beautiful vase on top of the side table.

○○○ Minimalism uses bare essentials in the interiors of your room and a shade palette with a single colour and clean lines, that enhance the whole design.

SHUTTER FINISHES

Presenting to you the New Sleek Shutter Finishes

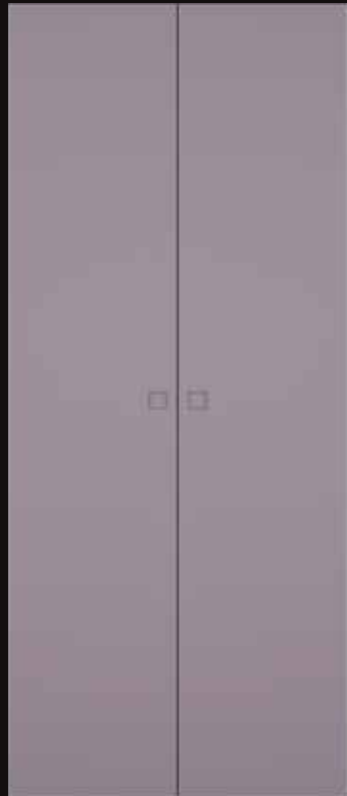

At Sleek, we prioritize seamless integration and personalized wardrobe solutions tailored to meet your specific needs. We are thrilled to introduce a captivating selection of new shutter finishes, aiming to enhance your satisfaction. Join us in turning your dream wardrobe into a reality, adorned with the perfect finishing touches. Each meticulously designed Crest theme can be brought to life by selecting from our diverse range of stunning shutter finishes. Prepare to be delighted as you explore this exquisite collection curated by Sleek, guaranteeing a hassle-free and enjoyable setup.

The Groove Collection:

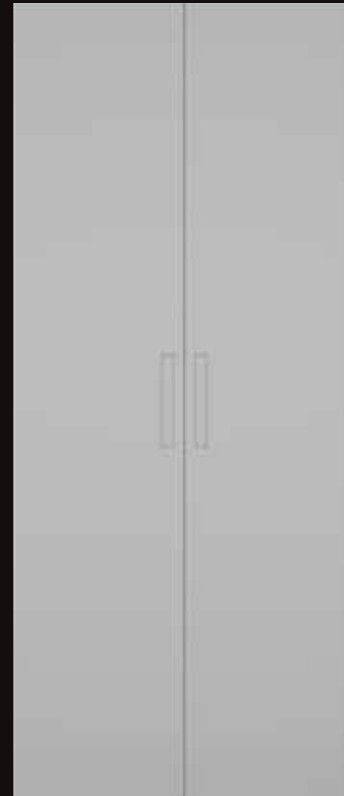

Encounter a seamlessly Sleek and handle-less experience with our intelligently designed range of shutter finishes. Featuring built-in recessed handles that create stylish grooves on the surface, this collection not only enhances the beauty of your space but also provides a comfortable grip.

THE GROOVE COLLECTION

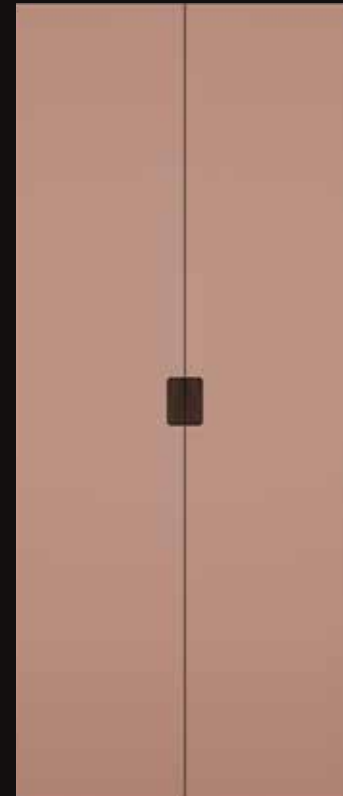

Metro Groove

A contemporary routed handle, delicately engraved into the shutter for an urban look.

Classic Groove

An excellently designed routed handle, finely inscribed into the shutter for a classic look.

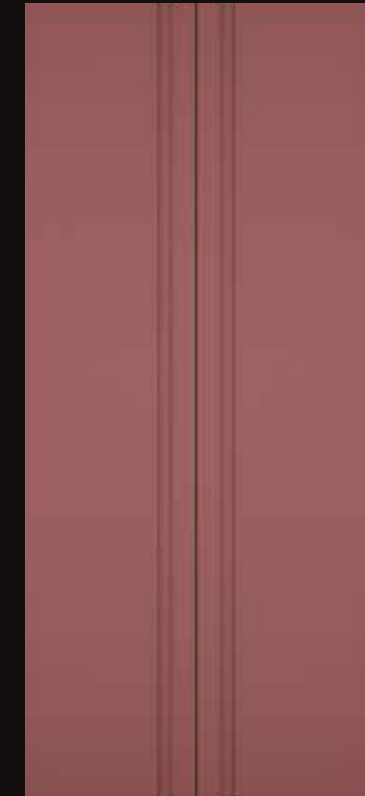

Smart Groove

A defined routed handle, etched into the shutter to give it an ultra-smart look.

Fab Groove

A routed handle with a unique design, carved into the shutter for a fabulous grip.

Open Groove

A convenient routed handle, slit into the shutter, aligned with its open vertical design flow.

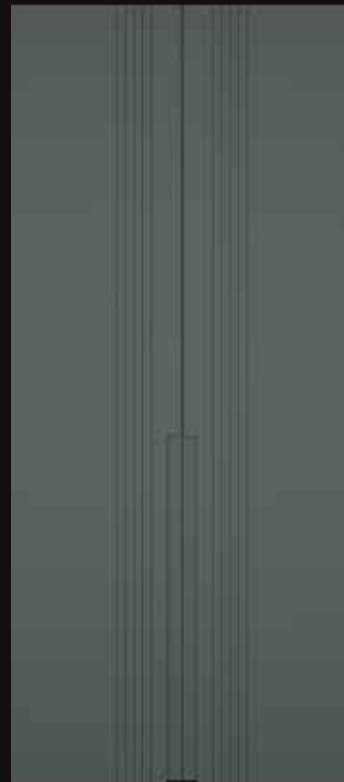

The Strokes Collection:

Elevate your space with an alluring selection of shutter finishes that make a bold style statement.

Featuring mesmerizing linear strokes that create captivating indentations on the surface, these designs bring a touch of sophistication and an extra level of elegance to your surroundings.

THE STOKES COLLECTION

Comb Strokes

An elegant shutter finish adorned with sleek strokes that replicate the delicate imprints left behind by a fine-toothed comb, to add a touch of refined sophistication to your space.

Sunken Strokes

A neat and stunning shutter finish featuring precise routing, resulting in elegant lines and subtle depressions along the edges of the shutter, that adds a touch of understated beauty to your space.

Aerial Strokes

A classy and charming shutter finish that exudes sophistication, featuring an elevated center created by artful strokes that form captivating indentations on the surface to add a touch of elegance and visual interest to your space.

Arrow Strokes

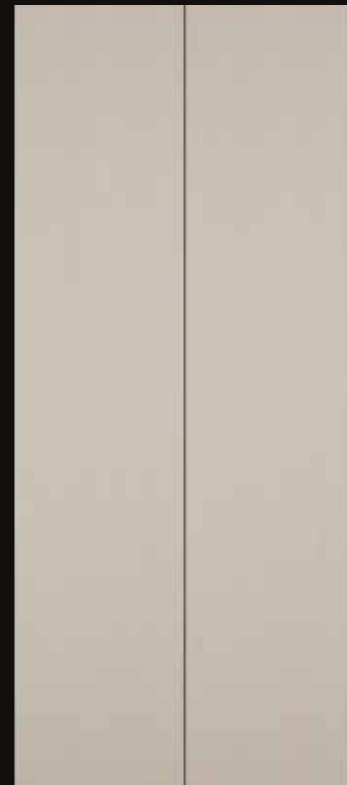

An artsy shutter finish that embodies creativity and flair, showcasing clean strokes etched across the surface in a manner reminiscent of sharp and elongated arrows streaking across the canvas, adding a dynamic and visually striking touch to your space.

The Exclusive Collection:

Enhance the allure of your space and make it the focal point with this unique assortment of shutter finishes. Featuring fascinating wooden textures, this collection has the ability to transport you to enchanting forests, creating a cosy and inviting atmosphere within the comfort of your own home.

THE EXCLUSIVE COLLECTION

Wild Symphony

Experience the untamed allure of the wilderness with these shutter finishes boasting textures reminiscent of untouched timber woods.

Birch Vista

Immerse yourself in the essence of nature with shutter finishes that evoke the serene beauty of birch trees, providing a delightful outdoor ambiance. The design and texture of the shutters resemble gentle waves gracefully forming on a wooden surface.

Timber Squares

Embrace the charm of these meticulously crafted shutter finishes that bear a resemblance to miniature squares made of timber that add warmth and a timeless appeal to your space.
